

Cypress Point Lakes

Cardboard Recycling Best Practices

We have 2 cardboard recycling bins on the property:

- One at the far corner on driveway F near Cypress Point Drive
- One near the car washing area behind the maintenance shed and laundry room 2, located near Central Avenue.

Please place all large cardboard boxes (broken down flat and with no food contamination) in these bins.

Do not leave them by the other dumpsters in the complex (it costs the Association to have them disposed of).

Small cardboard items can be recycled to the mixed paper recycling bins located through out the complex.
